WE'RE BACK !!

First – HAPPY NEW YEAR TO ALL!! Secondly – we are back from our Christmas break (at least some of us are – while others are still sitting in the sun!) and ready to get Wawota News-in-Five back out on Fridays.

It was great getting to spend time with family and friends over the Festive Season.

The following poem may have been more appropriate for the end of December – but we decided to put it in our first issue of the New Year as “food for thought”.

THOUGHTS FOR THE NEW YEAR

I have a brand-new calendar,
That very soon will be
Hanging on my kitchen wall
So I can plainly see –
A whole new year of days untouched
By failure or defeat.
Each little square a symbol of
New Challenges I'll meet.
New promises to honour
And new resolves to make.
New projects in the offing;
New jobs to undertake.
New friendships to establish,
New dreams to entertain
New fields I hope to conquer
New heights I may attain.
Each little square is empty
And it's strictly up to me
How I will use those untouched days
That lie ahead of me.
But before I turn my back upon
The year that's almost through
I'd better take myself in hand
And see what I can do -
To bolster my defenses
Against failure or defeat
And gear myself to tackle
The challenges I'll meet.
For only by correcting
The errors of the past
Can I hope to make the coming year
Better than the last.

A fellow was walking along a country road when he came upon a farmer working in his field. The man called out to the farmer, *"How long will it take me to get to the next town?"*

The farmer didn't answer. The guy waited a bit and then started walking again.

After the man had gone about a hundred yards, the farmer yelled out, *"About 20 minutes."*

"Thank you. But why didn't you tell me that when I asked you?"

*"Didn't know how
how fast you
could walk."*

Hey buddy – how late does the band play?
Oh, about half a beat behind the drummer.

WANDERING THOUGHTS

(as we see them)

The Festive Season has come and gone for another year – and even the weatherman cooperated over Christmas anyway (This is being written before the New Year). Christmas Day was “picture-perfect” with the frost on the trees, bright sunshine with just a little “nip in the air”, and a full moon at night. The covering of snow made it an ideal day. For those who were travelling, roads were perfect in our area.

Now we wait for the Visa bill to come – then we'll find out if we overspent or not. Sometimes “last minute shopping” tends to add on more than normal. Heard a saying recently that applies here – “*to stay out of debt, act your wage*”.

Sixty-two morning coffee drinkers were treated to coffee/coffee & toast at Kimi's Kafé on December 22 & 23 from 7 to 10 am – compliments of News-in-Five. We felt that this was our way of “giving back” at this special time of year. (It was a “spur-of-the-moment” idea, so didn't have time to advertise much – next year?)

Good news – days are getting longer – well, daylight hours are increasing is what we really mean. A minute or two each day is pretty much unnoticeable but over a month's duration, it becomes very evident.

Some will spend the Festive Season watching IHF World Junior Hockey cheering for Canada's team. As winter progresses, we cheer on the Wawota Flyers plus our young hockey teams. Remember our young people appreciate Mom, Dad, Grandparents and Friends in the stands cheering them on – so don't disappoint them.

“From Down South” ...

- cooler than normal, making pool days a choice (42 degrees F at 8 A.M.) - not cold enough for ice fishing though!
- Wetter than normal - almost surpassed the normal annual rainfall in 2 days (5 inches)
- shakier than normal - minor earthquake on the 6th at 6:42 am registering 4.4 (on an average of 2-3 lesser ones every day in the area). Prefer an alarm clock to a shaky bed! An experience!
- so far day time temps in low 60's - good for golfing, sightseeing, etc.
- 'til next week ... Garry

You asked ??

Question: What were the Town Maintenance men doing at the washrooms at Centennial Park before Christmas?

Answer: They were installing ceramic tile in the washrooms – and they look great! Another plus for an already super Park. We look forward to the completion of the Camp Kitchen this year also!

4-H REPORTS

On December 7 the Wawota 4-H beef club had a meeting at the school.

There were belt buckles presented to Cade Rutten for champion female and Jordan Dorrance for champion steer.

There was a motion passed that if Clover Buds choose to, they can show yearling animals in the open class.

This year the District 5 will be bowling instead of skiing. The Wawota 4-H Multiple club will be organizing it. At the Regional in Whitewood our club will be cooking the burgers.

At our next meeting we will have a weigh day
-- submitted by Carter Branvold

On December 29, the Wawota 4-H Beef Club had their weigh day at Kyle and Crystal Hebert's. Kyle also taught us about feeding our animals. We also learned about the difrint (different) kinds of silidge (silage) there are. The steer weights were as follows:

Cade Rutten 851 lbs.
Larissa Rutten 880 lbs.
William Brimner 982 lbs.
Sydney Dorrance 744 lbs.

The trouble with being a leader today is that you can't be sure whether people are following you or chasing you.

DID YOU KNOW:

There have been: (M1.5 or greater)

-- 90 earthquakes today (Wed. January 13th) -- 752 earthquakes in the past 7 days
-- 3,212 earthquakes in the past month -- 38,958 earthquakes in the past year

We hear from the news reports that there have been several minor earthquakes along the coastline from California to British Columbia.

In Canada reports are that British Columbia has had (M1.5 or greater)

-- 3 earthquakes today (Wed. Jan. 13th) -- 8 earthquakes in the past 7 days
-- 30 earthquakes in the past month -- 409 earthquakes in the past year

At 11:27 am Tuesday Fox Creek Alberta experienced a 4.8 magnitude earthquake.

What about Saskatchewan? Do we experience earthquakes?

Reports state that Eastern Ontario and Quebec and the West Coast aren't the only parts of Canada that have an earthquake risk. Research shows that while the probability is quite low, Saskatchewan and Manitoba also have some risk of experiencing a large quake. There are some earthquakes in the middle of Canada and apparently we see earthquakes in Saskatchewan relatively often, maybe five times a year. We had a magnitude-5.3 earthquake in Saskatchewan in 1909. Anywhere in Canada earthquakes can apparently happen, however it is stated that the probabilities are low [in central Canada].

"I've just had the most awful time," said the boy to his friends. "First I got angina pectoris, then arteriosclerosis. Just as I was recovering, I got psoriasis. They gave me hypodermics, and to top it all, tonsillitis was followed by appendectomy."

"Wow! How did you pull through?" sympathized his friends.

"I don't know," the boy replied.

The season of gift giving and what a fabulous time to celebrate life!

The Bible states "there is no greater gift of love than to lay down one's life for one's friends" (John 15:13).

In your small community of Wawota there lives a young named Kevin Cuddington who gave the "gift of life" to his aunt Cindy. July 2015 Kevin gave 68 percent of his liver to his aunt. He came forward without any hesitation right from hearing that his aunt needed a liver transplant to live. Today we can rejoice and celebrate that both Cindy and Kevin are here living life!

No words can express our love and gratitude to you Kevin, thank you, we love you very much!

Love. The Cuddington family

Garry, Bob and Linda were lunching at a sidewalk café in Huntington Beach, California. Their waitress appeared to be a real surfer girl: athletic with a great tan and blond hair. Mulling over the menu, Garry asked her if the roast beef was rare.

The waitress gave him a long blank look and then replied, "Well, no. We have it, like, just about every day."

What's new @ the Emporium ...

I sure hope everyone had a glorious holiday season. Thank you to all my wonderful loyal customers for your support. Tomorrow is the last day I will be closing at noon – back to regular hours on Monday, January 18th.

Monday: 10 – 12 am

Tuesday – Friday: 10 am – 5 pm

Saturday: 1 am – 3 pm

Thank you to everyone for being understanding and supportive with my decision to take a bit of "ME" time.

While I have been having "ME" time, the Emporium is never far from my thoughts and I have come up with some fantastic new ideas...2016 is going to be all about making healthier and happier customers.

I have talked to Tami Dovell about holding some afternoon meditation classes. Heather Jacques is willing to come and talk about improving yourself with the use of Young Living Oils – details to be announced once things are finalized. I also want to do some 'Grammie' things with girls and boys – again more details once I have things worked out. So be sure to stay tuned and let's make 2016 an inspiring year.

A few dates to keep in mind:

- Valentine's Day is 30 days away (Sun. Feb. 14)
- Daylight Savings Time is 58 days away (Sun. Mar. 13)
- Spring is 65 days away (Sun. Mar. 20)
- Easter Sunday is 72 days away (Sun. Mar. 27)

FLYERS' REPORT

The Oxbow Huskies were in Town to play the Flyers on the 18th – final score was 8 – 3 for the Flyers. Pool winners were Doug Carpenter, Garry Wyporowich and Ivon Irving. 50/50 winner was Jeff Engle collecting \$200.

The next night, the Flyers travelled to Redvers to play the Rockets – coming home with a 6 – 3 win.

On the 23rd, Arcola (first place in League) were in town. After the 1st period the score was tied at two each; nothing changed in the 2nd, but in the 3rd, the Flyers scored four unanswered goals giving a final of 6 – 2. The great crowd were treated to probably one of the best, cleanest games of the season. Pool winners were Chesney Murray (2) and Jessica Oliver. 50/50 winner was Sam Carpenter collecting \$615!

Winner of the NHL Getaway Raffle was Dwayne Linder.

One day, the pilot of a Cherokee 180 was told by the tower to hold short of the active runway while a DC-8 landed. The DC-8 landed, rolled out, turned around, and taxied back past the Cherokee.

Some quick-witted comedian in the DC-8 got on the radio and said, "What a cute little plane. Did you make it all by yourself?"

The Cherokee pilot, not about to let the insult go by, came back with a real zinger: "I made it out of DC-8 parts. Another landing like yours and I'll have enough part for a second one."
