Valentine's Day is an opportunity for people to tell somebody that they love them in a romantic way.

It falls on February 14, the name day of two

saints, St Valentine of Rome and St Valentine of Terni. In pre-Christian times, the middle of February was a time of pagan fertility festivals in Europe and allegedly the time when birds chose a mate. People can pronounce or re-affirm their feelings of romantic love for someone, often by sending cards, giving gifts or enjoying a romantic dinner.

The most common symbols of Valentine's Day are heart shapes, which are used to decorate many things, including cards, trees, wrapping paper, cookies and gift boxes. Other symbols associated with February 14 are pairs of birds, cute teddy bears, Cupid and his arrows and couples kissing or embracing. The colors red and pink are often associated with Valentine's Day.

FAMILY DAY
Mon. Feb. 15

Family Day is not a national statutory holiday, it is only observed in Alberta, Manitoba, Ontario, Saskatchewan and in British Columbia. Two other provinces have holidays in February: In PEI Islander Day is celebrated on the 3rd Monday in February and in Manitoba the 3rd Monday in February is the Louis Riel Day holiday. Since this is not a federally established holiday all federal workers work on Family day including post office employees and public servants.

Family Day was originally created to give people time to spend with their families but it also provides a day off between New Year's Day and Good Friday as they are approximately three months apart. It is a time for children and parents and grandparents to re-connect and enjoy the day.

WHAT'S IN A NAME ?

Some of our readers have questioned how – and why – we came up with the name of “News-in-Five” replacing “News-in-a-Minute”.

When the need arose to change, we had considered having a contest involving the public to choose/suggest a name. After consideration, we decided to pick the name ourselves.

Why “News-in-Five” you ask? Well, if it takes you 5 seconds to read the publication, you're not reading everything. If you take 5 minutes, you're probably normal (News in 5 minutes – minus the minutes) and if it takes longer, you may have a problem. So “News-in-Five” can mean 5 seconds, 5 minutes, 5 hours or 5 days – You Choose! Whatever – ENJOY!!!

DID YA' NOTICE ?

When driving by Centennial Park take notice of the couple in the gazebo – Carolers at Christmas.

However, now that Valentine's Day is nearing, they seem to have gotten a little more passionate – Too CUTE !!

congratulations

To Carmen Jaenen (realtor with Better Homes & Gardens Real Estate/Prairieview) on being awarded top realtor for her company in Canada for the month of December. She took top place in two categories – most residential property sold & most gross commissions earned.

To Faye Rempel on the publishing of her book "The Shiny House". The book tells the story of the Humphreys/Hewlett house at Cannington Manor – and two children who find their way into the boarded up house. All the royalties from the book sales go directly to Meagan's Walk held annually in Toronto – a fundraiser to shed light on brain tumors in children. The money is being raised in memory of Cienna Friesen (Wawota) who lost her life at the age of seven years. Books are available at McPhail Travel (Moosomin) at a cost of \$12.

GIVE YOUR HEART A BREAK THIS VALENTINE'S DAY

While we spend Feb. 14th trying to win hearts, be sure to take care of your own the rest of the month during Heart Health Awareness Month.

For decades heart disease was considered a man's disease, when in fact, heart disease is the number 1 killer of both men and women.

While it is commonly known that heart attacks cause chest pain, there are also other symptoms & signals:

- pain that radiates to the jaw, shoulder or arm;
- nausea
- vomiting
- intense sweating.

It is suggested people should aim for the following:

- blood pressure reading of less than 120/80
- lipid level below 200 mg of total cholesterol per decilitre
- weight control
- & of course, exercise

WANDERING THOUGHTS

(as we see them)

Here we are almost to the middle of February – and nearly back to normal – well as close to normal as we get! We have to admit, it “kind-of” feels good to get back into routine – but “living outside the box” for a month was awesome!

What about this weather – a slight windy disturbance over the weekend didn't even seem too bad – except for the ice. On Saturday afternoon, the temp got up to 7°C – and it actually felt – and smelled like SPRING! They tell us that to date it is the mildest winter in sixty years – and the forecast sounds great!

Looking to the past – we never saw – or heard of – rain in the winter. We may have gotten chinooks (aka Alberta Clippers in modern language) in January or February – but winter was winter!

What ever happened to Groundhog Day – now we hear of several provinces and states boasting what their mascot predicts! Of course, each one has a different view – CHANGE – take your pick!!

We purchased an amaryllis bulb in support of the Huntington Society in November – with the idea of giving it as a Christmas gift. We put it in a safe place and never found it again 'til December 26th! (This happens frequently and getting more often). Needless to say, two tiny green shoots were poking through so we planted it – and with a month's TLC from a friend, we came home to eight red/orange blooms on two stems 26" & 20" – not a leaf to be seen! The blooms are all the size of saucers – most unusual for this location. We usually have leaves with an absence of blooms! (Must have been the TLC.) And yes, it did fall over a few times.

Another very welcome home was when we went to fuel up – found ourselves checking the receipt – not once but twice! Writing \$40 instead of \$60-\$65 sits a little better in our financial statement.

More changes – we hear that Lowe's (US based) has bought out Rona (Canadian) stores. Seems to be the trend of the times for the big to get bigger – not always for the best as has been proven.

Also heard recently that newspapers – as we know them now – will soon be an “endangered species” – they are being read on social media instead. Even in our small world, we can notice more copies left over each week. However, there are still many (from a different era) who prefer the ACTUAL copy to read.

To the future more – a local resident asked us what day the Annual Garage Sale Day would be this year! After 15 years, we wondered if the idea had not run its course – guess not. Seems like it has become a “tradition”.

Telemiracle 40 happens on March 5 & 6. We see a few local groups are hosting fundraisers in support – plan to attend these events keeping in mind how Telemiracle supported our community in the purchase of both of our Handivans. This year's entertainment boasts the most ever right from our own province – including our friends “Old 21” – Lorne, Chris and Ryan from Moosomin.

Did you watch Super Bowl 50 on Sunday? We started watching – then boredom set in so finished reading a good book. Back to the game – nothing had changed – found a good old fashioned western movie to watch instead. It was a huge event across the border and that's good. Let's just say “*it wasn't the Grey Cup*” – but *we're from Canada, eh?*

“Til we meet again, have a great week y'all!

THIS IS IT!

IT'S TIME TO FINISH THE MURAL that was removed from the old "DRUMMS GARAGE"!!

The Mural Boards have been moved to the RM of Walpole Shop and the "COMMUNITIES IN BLOOM Gang" are ready to get the mural done!

IF you would like to be a part of the final painting – please call one of the following committee members to set up a time when you can come down to the RM Shop and paint.

Work when it is convenient for you!

Most of the background is complete and we now need some artistic "finishers" to put on the detail.

Please let us know if you are available.

WE WANT TO SEE THE MURAL HUNG ON THE FIREHALL THIS SPRING AND DESPERATELY NEED YOUR HELP!

For Info: Call Debbie 739-2345 or Valerie 739-2575 or Garry 739-2437

MURAL ON THE TOWN SHOP!!

The Wawota Recreation Board is calling for submissions of ideas for a **MURAL** to be painted on the south side of the Town Maintenance Shop.

Do you have an idea that might reflect Wawota's local area economic drivers ie farming or oil industry? OR maybe accentuate the nature aspect of the new walking pathway? OR something completely different with a "wow" factor? We want to hear from you!!! Submissions will all be reviewed by the Rec Board & Town Council and a winner will be decided! The Winner will receive a \$100.00 Gift Certificate for shopping locally plus bragging rights!

Are you an artist and might be interested in taking on the painting project? We would like to hear from you! We would like to see the painting go up in June or July of 2016.

Please send a picture/drawing of your "mural painting" idea and contact information to the Recreation Board, Box 117, Wawota S0G 5A0 as soon as possible or drop it off with Debbie at the Municipal Office Building.
