WANDERING THOUGHTS (as we see them)

Are we there yet? Yes – and home again – can't be – all seems like a dream – but one that came true!

Yes ... 8505 km a.k.a. 5273 miles; 35 days later and ten States driven in, we're home again – having had an awesome/quality time with friends – treasure the memories and add another chapter in our "Book of Life". The weather overall was cooler than normal – probably the coolest in our five years of going there. However we were not the only ones experiencing this – family in Florida reported frost a night or two – Hello El Nino! One of our group figured we should be called "*the storm runners/dodgers*" – we were ahead of an intense winter storm that hit the central States on the 1st. We did see snow in all ten states – in the higher elevations in some areas.

Enough about the past – let's look to the present and future. Getting back into routine takes a day or two – and even longer the more birthdays you have – experience speaking! A trip or two to "coffee row" should fill us in on all (& more) of the happenings of our time away!

The renovations at the Town Hall are very impressive – new floor, painting, addition of a sink in the bar, and more ... all mostly being done by volunteer help – the offering of your time/talent is greatly appreciated. Once again, we can be proud to be home to one of the most modern/up-to-date community centres in the area.

Also see some new and exciting changes at Grammie's Gift Emporium – plan to stop in and witness the "new look".

And those Flyers – we predict a league championship as well as an SHA Intermediate "C" Division title – wouldn't that be awesome! The final update on the "Down South Flyer's Pool" results are one person (Lucky J) won three times and everyone else each won once – winnings were paid in US \$!

To end with – how about this weather? Hear that there were a few cold days in January but nothing to make one rush and book a flight south! The forecast has no warning of anything to fear/dread – and each day we see more sunshine so it could be a winter to go down in history. We'll take one day at a time and be thankful.

And we hear that the ground hogs can't even agree on how much longer we can expect winter – whatever!

Back to catching up with a month's mail and News-in-Five accounting – yes it was definitely worth it – highly recommended.

THANK YOU

Thank you all from Joan Colborn
and children.

congratulations

To Erica Riddell & Jeremy Hennessy on their marriage in Las Coletas, Mexico on January 18th – they reside in Regina.

ADVICE ...

- Go placidly amid the noise and the haste, and remember what peace there may be in silence.
- Speak your truth quietly and clearly – and listen to others – even to the dull & ignorant – they too have their story.
- If you compare yourself with others, you may become vain & bitter – for always there will be greater and lesser persons than yourself.

You asked ??

Question: Why has the Leader Post been arriving later for the last few weeks?

Answer: We are told that the printing is now done in Saskatoon instead of Regina thus the distance delay! (Go Figure!!)

Question: What is your opinion of the new format and “smaller size” of the Leader Post?

WARNING

In the past couple of months residents of our community have been victims of robberies. Reports are that vehicles, garages and sheds have been broken into and articles stolen.

Words of warning ... make sure your vehicles have the doors locked, doors to residences and businesses are securely locked and have locks on 'outbuildings'. Garage doors should be locked if possible and if not locked, no keys or valuables left in your garaged vehicle, unless that vehicle is locked. Never leave your keys in your vehicle or articles of value in plain sight.

If you are away from home for any length of time, have a relative, friend or neighbor check your house and yard for any suspicious activity.

THANK YOU

Thank you very much to everyone for your love and support when Ron passed. I am so fortunate to be part of such an amazing community that has shown such generosity and caring. I am grateful to all for your kind words and for those who dropped off food and stopped by for a visit. I don't have words to express our appreciation to the staff at Deer View Lodge for the wonderful care you provided to Ron during his time there. You took very good care of both of us and for that I am truly blessed.

The wheel of my grocery cart was making a horrible scraping sound as I rolled it through the supermarket. Nevertheless, when I finished my shopping and saw a cartless woman, I offered it up, explaining, "It makes an awful noise, but it works." "That's okay," she said, taking it. "I have a husband at home like that."

WAWOTA BEEF PROJECT MEETING SUMMARY

On January 31st, 2016 Wawota Beef Project held a meeting at the Brehaut home. We began with the 4-H pledge, roll call and the Secretary and treasures reports were read.

Our Wawota 4-H Club (includes the horse project) are hosting a district Fun Bowling on February 27th - 2:00 - 4:30 in Moosomin. The Horse project has invited us to attend a talk from Erika Easton on February 26th at 7:00 pm at the Wawota Curling rink to learn what goes into a "great speech". We have set the date for speeches for March 5th at 1:00 at the school. This will include the horse project members. The top two speakers from each age category move on to District's to be held in Moosomin this year.

We will have our next General Meeting (with horse project) March 8th at 7:30 (curling rink). Our club plans on Attending the Yorkton Spring Steer and Heifer Show March 31st - April 2nd. We also set the date for Steak Supper for April 22.

At the end of our meeting we practiced giving injections to oranges using water that had been coloured. That way we could tell if the injection went just under the skin of the orange or into the muscle of the orange. It was really interesting to use a real needle and syringe to simulate what it would feel like giving it to cattle. We discussed how different medicines take longer to leave the system of cattle and how we are responsible as ranchers to ensure no animals recently treated should enter the food chain. We learned have different vaccines and medicines.

The football coach was asked his secret of evaluating his new recruits.
"Well," he answered, "It's easy. I take 'em out in the woods and make 'em run. The ones that run round the trees, I make into running backs. The ones that run straight into the trees, I turn into linemen."

FOOD FOR THOUGHT ...

A child that has been coddled, protected, and given everything he or she wants, develops a mentality of "I have the right", and will always put himself or herself first.

You can give your child their own room in a big house, good food, a computer, tablet, cell phone, and a big screen TV, but when you are washing the floor or painting a wall, children need to experience that too.

After eating, have them wash the dishes with their brothers and sisters, let them fold the laundry or cook with you, pull weeds or mow the lawn. You are not doing this because you are poor and can't afford help. You are doing this because you love them and want them to understand certain things about life.

Children need to appreciate the amount of effort it takes to do a job right. They need to experience the difficulties in life that people must overcome to be successful and they must learn about failure to be able to succeed.

Children must also learn how to work and play with others and that they will not always win, but they can always work harder to reach their goals. If they've done their best, then they can take pride in all the effort put forth.

WAWOTA CURLING CLUB NEWS

We have had a much busier season this year at the curling club! Our league teams have been playing twice a week since November 10. Our school teams have been practicing twice a week as well. In January, the curling club hosted a Youth Clinic that 20 local youth took part in and then we hosted a Youth Bonspiel January 23, three local teams and three out of town teams attended!

Our four school teams have hosted teams from Moosomin and Carlyle and next week Kipling. They have travelled back to play in their rinks as well as to Whitewood and Maryfield. The Jr. teams will be in playoffs Feb 5/6--girls in Radville and mixed in Lampman. We are very happy to have Duane Lamontagne as a new, enthusiastic coach this year as well! On February 23/24 the Sr. Mixed team will be in Weyburn for playoffs. Good luck to all our young curlers!

The curling club has also seen the students from grades 5-8 coming for gym classes with Mr. Riddell this year and grades 9-12 will be coming next week...I don't know the last time that happened, but we are very pleased to have them!

We also have had several "Friday Night Fun Nights" where members curl free and anyone else is welcome to come and play for just \$5. Some folks bring snackies and we have just a very casual evening of curling and socializing! Our next one is planned for **Friday, February 12 @ 7:00**; consider this your invitation!

We will **wind-up our season on Saturday, February 27th at 5:00** with a pot-luck supper and run it like Friday Night Fun Night. Watch and like our **Wawota Curling Club Facebook page** for more details. We'll try to make it a good one!

BIG THANKS to our caretaker "Super" Dan for putting up with all the busyness--but I think he likes it ;)

Super Bowl Recipe

BUFFALO CHICKEN SLIDERS

Yields: 12 sliders

- 3/4 cup butter
- 3/4 cup hot sauce
- 3 Tbsp. white vinegar
- 2 Tbsp. Worcestershire
- 2 tsp garlic powder
- 4 chicken breasts
- 1 package of 12 Rolls
- 1 bunch of green leaf lettuce
- 2 cups coleslaw veggie mix (thinly sliced cabbage and carrots)
- 1 1/2 cups blue cheese dressing (or ranch dressing)
- 1 small package blue cheese crumbles (optional)

Directions:

Combine the butter, hot sauce, white vinegar, Worcestershire, and garlic powder to create your buffalo sauce (or substitute with two cups of premade buffalo sauce). Place four chicken breasts in your slow cooker and cover with the sauce. Cook on high heat for four hours.

When the chicken has finished cooking, shred the chicken breasts with two forks. On the side, mix together the coleslaw veggie mix and blue cheese or ranch dressing. To assemble your sliders, layer the Rolls, green leaf lettuce, buffalo chicken, blue cheese/ranch coleslaw, and blue cheese crumbles. Serve, and enjoy!
