**AGAIN!!**

This year Easter is March 27, Sunday. Easter came early this year, but not that early!! We got a little ahead of ourselves last week, but we have some good excuses – take your pick!!

Reasons why our Easter greeting came out a week early:

- If Manitoba can jump an hour ahead on their clocks, News-in-Five can do the same with their Easter greeting.
- We thought you might need the extra week to decorate Easter eggs.
- We wanted to give the Easter Bunny advance notice that he better dig out his snowshoes so he could get over the snowbanks to deliver chocolate treats to all the boys and girls.
- We wanted to give you an extra week to pick out your Easter Bonnet for the Easter parade.
- Not often do we get to celebrate St. Patrick's Day and Easter within eight days – we were in the Mood!
- And, we wanted to see if you were paying attention and that you actually "read" all of News-in- Five.

### **HELPFUL HINTS:**

How to clean copper: Lemon & Salt – Dip quartered lemon in salt and rub on copper. Rinse in cold water to remove all salt. Dry well with a clean cloth. Use lemon oil on rag to keep copper from tarnishing so quick.

To clean tile grout – use white toothpaste. Use an old toothbrush to scrub.

Another way to clean tile grout – 1 tbsp ammonia, ¾ cup water, 1 tsp water softener and 1 tbsp white vinegar. Put into spray bottle and spray on tile. Scrub with an old toothbrush.

How to clean silver: run hot water into the kitchen sink. Add 1 tbsp salt and 1 tbsp water softener. Stir. Put tinfoil into bottom of sink. Put silver item in to submerge it. Rinse in water and dry.

## WANDERING THOUGHTS

(as we see them)

Before last week's paper was completely published, Old Man Winter had made a return visit, however we were fortunate compared to some areas, especially to the north. The geese, crows and robins complained profusely but better days are in for forecast – and after all, SPRING is officially here!

While mentioning robins – 50 plus were in the garden as it was snowing the other day – and they were making “sounds of anger” as they salvaged cotoneaster berries, left-over apples and mountain ash berries that the grosbeaks had missed. It wasn't the normal “robin welcome to spring” song. For a while we were wondering if they were giving us their version of the “Donald Trump promises”!

And more on birds. We are seeing bald headed eagles regularly on our “paper trail” each week – sometimes they are at a “deceased critter site” and sometimes on a telephone/power pole. Friends tell us that a pair have a nest at Moosomin Lake – complete with offspring! They are a very majestic bird – in flight or stationery. (Maybe we're seeing more of them in our country too because of DT?)

Breaking News!! We have been informed that BABIES are arriving at Deer View Lodge – daily! Residents and staff are reported to be “egg”-static at this happening! Some babies are boys – some are girls! They are baby chicks hatched in an incubator – what a neat idea – we're sure this will bring back memories of the olden days on the farm.

Have you managed to escape the flu/cold bug that is presently haunting the area – if so, you're in the minority. There seems no fast/easy way to get over it – leaves when it's ready. Reports are that some folks have it for a couple of weeks!

And again, winter returned to the area before we got another paper printed. We're not sure if it is a Montana Front or a BC Blast, but it quickly changed the landscape to white. The forecast is for plus temps for the Easter weekend so the “melt” should be on again! Big question – do we shovel/snowblow this last massive dump of snow – or do we wait for Mother Nature to bring out the heat and sunshine to do the job??

Q: What happened to the Easter Bunny when he misbehaved at school?  
A: He was eggspelled!

Q: Why do we paint Easter eggs?  
A: Because it's easier than trying to wallpaper them!

Perhaps they are not stars in the sky, but rather openings where our loved ones shine down to let us know they are happy.

Remember – you are too blessed to be stressed.

People who laugh a lot are healthier than those who don't.

***We got a substantial dump of snow on Tuesday, but did you know ...***

In February 1948, a farmer from Moose Jaw, Sask, had to chop through the roof of his barn to feed his cows following a massive snowstorm. In some prairie towns, snowdrifts reached the tops of telephone poles. In the Wawota Museum, there are photos of the "Peanut" train having to be shoveled out after several days of snow, and photos of cars travelling through a "tunnel-like path" of snow.

This is a Rink Fundraiser

It is with mixed emotions that I am announcing my departure from Front Porch Interiors. It has been seven years since I first started with Shannon and myoh my, the things I have seen and done! There have been so many laughs, good times, hard times and overall very enduring friendships that have been built. I have met so many amazing people; customers and other furniture retailers and reps alike. It's been a very exciting and interesting time in my life.

I have decided it is time for me to focus on the business that my husband and I have at home. That's right; I will be becoming a full-time ranch hand! This has certainly always been an aspect of my life, but I feel it's now time to devote myself to our family business.

I would like to thank all of the customers that I have worked with; there are so many familiar faces that I will certainly miss, and I hope to see you in the future. The awesome coworkers that I have had the pleasure of working with and developing lasting, meaningful friendships with, and of course, all the crazy, fun times working with Shannon and being able to experience a truly talented, creative mind. There has been more than one occasion when I have risked peeing my pants from laughing too hard!

I will treasure all of the good memories for a lifetime! So, if you ever see me hanging around a rink, or a ball diamond; make sure you give me a poke and say hi! - Cheryl Branvold

## EASTER HAM RECIPE (slow cooker style)

### Ingredients:

Bone-in Ham, fully cooked (about 7-8 lb)  
1 cup Chicken Broth  
½ cup Brown Sugar

¼ cup Dijon Mustard  
2 Cinnamon Sticks  
12 Black Peppercorns  
8 Whole Cloves  
4 Bay Leaves

1. Place the ham in a large slow cooker. Whisk the broth with the brown sugar, half of the maple syrup and mustard. Slowly pour over the ham.
2. Add cinnamon stick, cloves, black pepper corns and bay leaves to slow cooker.
3. Cook, covered, on low for 6-8 hours, or until ham is tender and internal temperature reaches 140°F.
4. Pass the cooking liquid through a fine mesh sieve into a saucepan; bring to a boil. Add reserved maple syrup. Boil for 7 to 10 minutes or until slightly reduced and syrupy.
5. Brush the glaze over the ham. Slice and serve with remaining glaze. Serve warm or room temperature.

**FLYERS' REPORT ...**

Going into Game #3 of the Big Six League Finals on the 16<sup>th</sup> at the Forum, the Flyers and Bienfait Coalers had each won a game – both winning on home ice. The Flyers added another win that night – 3 to 1. Do we see a “pattern” forming here? Winner of the 50/50 draw was Sheldon Murray, collecting \$715 (\$345 carry-over from the 9<sup>th</sup>).

The “pattern” was broken on the 18<sup>th</sup> when the Flyers came out with a 4-2 win over the Coalers on their “turf”. A Flyers win at the Forum on the 24<sup>th</sup> would give them the Cup – 1<sup>st</sup> time since 2005 – and end a Coaler’s 5-year championship reign.

Game #6 had to be rescheduled due to the snowfall and poor roads. It will now be held **today** - Thursday, March 24<sup>th</sup> in Wawota - 8:00 pm.

The old man had died. A wonderful funeral was in progress, and the country preacher talked at length of the good traits of the deceased – what an honest man he was, and what a loving husband and kind father he was. Finally, the widow leaned over and whispered to one of her children, “Go up there, and take a look in the coffin and see if that’s your pa.”
