WANDERING THOUGHTS

(as we see them)

Back to normal – as normal as can be anyway in our world! Comments on last week's paper – sore/stiff neck, confusion, frustration, dizziness, wonderment – 'twas all for fun. For those who didn't see the humour, our apologies! We can't blame the "new format" on copy-machine error; there was no "correction" button – let's just say News-in-Five went to News-in-Ten for a week!

What happened to our weather on the weekend? – Forecast was telling us to look for temps 15°-20° - our thermometer struggled to reach 8°!! Maybe this was a belated April Fool's joke? Guess we'd have to say March went out like a Lion. Now we look to April showers to bring May flowers – the tulips are struggling at present.

Our town was a hub of activity on Saturday as many folk from far and near searched for bargains at a household/antique auction in the Town Hall. Such sales always seem to have a "touch of sadness" as family memories disappear and are gone.

The 3rd Annual Sledge Hockey Tournament took place at the Forum from Friday evening to Sunday. We are told that 15 teams took part – resulting in a few bruises and sore stomachs from laughing. We hope to have a more detailed report for next week's paper.

Lots of sports to watch on TV these days. The Men's World Curling is happening in Bazel, Switzerland with twelve teams competing – so far Canada's Kevin Koe is doing very well. In hockey, playoffs are beginning shortly – with no teams from Canada to be involved – first time since 1970! Saw a cute cartoon of an American singing the national anthem before a game – instead of O'Canada, he was singing No Canada ... next year??

Locally we have two championship hockey teams in our area at least, namely the Wawota Flyers of the Big 6 League and the Moosomin Rangers of the North Central League. Being that these two teams were former rivals in the Triangle League a few years ago, wouldn't a game between "the best and the best" be interesting? Perhaps we can look forward to this to start off the 2016-17 season?

The Provincial Election is now behind us – wonder what the cost would end up being? Probably best we don't know yet – not cheap we expect. We see that voter turnout was only 57% - down from 66% in the last election – reason, again one can only wonder!

Now we have five months to prepare for civic elections – Town and R.M.s. At least this time we won't have to listen to impossible promises and "child-like" debates!

If Mother Nature is trying to confuse us, she is succeeding. Wednesday, we had rain, snow, cold wind, some sun, more rain with thunder, a bit more sun, then sleet – something for everyone?? Only in Saskatchewan, eh?

It's frustrating when you know all the answers, but nobody bothers to ask you the questions.

I find it helps to divide chores into categories:

- things I won't do now
- things I won't do later
- and things I will never do.

USED EYE GLASSES

At this time of year, most people do something called "spring house cleaning". If you fall into this category – and find some used eye glasses, consider giving them to our local Lions Club where they will be sent to a central depot and forwarded to Third World Countries for use.

They can be dropped off to any Lions' member – or contact Lions Phil Weatherald or Garry Dickson for pick-up.

THE RC LEGION BUGLE ...

Friday, April 8:

Monday April 4th was election day in Saskatchewan. The Royal Canadian Legion sincerely trusts that all that were physically able to cast their vote, did so. We enjoy freedoms and privileges to live in this province/country because of thousands of fallen boys, young men and women and as many others that returned home maimed in body and/or spirit from conflicts that threatened our very existence. We owe them our allegiance! Lest we forget!

If you mix milk of magnesia with vodka and orange juice, do you get a Phillip's screw driver?

A teacher asked her 6th grade class how many of them were Donald Trump fans. Not really knowing what a Donald Trump fan is, but wanting to be liked by the teacher, all the kids raised their hands except for smart little Johnny. The teacher asked Little Johnny why he has decided to be different.

Little Johnny said, *"Because I'm not a Donald Trump fan."*
 The teacher asked, *"Why aren't you a fan of Donald Trump?"*

Johnny said, *"Because I'm a Democrat."*

The teacher asked him why he's a Democrat..

Little Johnny answered, *"Well my Mom's a Democrat and my Dad's a Democrat, so I'm a Democrat."*

Annoyed by this answer, the teacher asked, *"If your Mom was a moron and your Dad was an idiot, what would that make you?"*

With a big smile, Little Johnny replied, *"That would make me a Donald Trump fan."*

SOCCER UPDATE

Wawota Soccer Club with the help of Sask Soccer will be hosting a **Coaches clinic/Ref Clinic on April 20th 5 - 9 at Wawota School.**

The clinic is free and we would love to see not only parents but youths who might like to help coach or ref a soccer game this season. Last Season we had 78 kids in our soccer program and only 6 coaches.

We would love to see more coaches and parents to help with our soccer program.

If you have any questions or would like to attend this clinic please call Shawna at 577-7391 or send me an email at cuddy@rnow.com

A mother was worried about her 8-year-old son. No matter how often she scolded him, he kept running around with his shirttail hanging out of his pants. Her neighbor had three boys, and each kept his shirt tucked in neatly. Finally the woman asked her neighbor to tell her the secret.

"It's very simple," she answered. "I just sew a bit of lace around the bottom of their shirts."

My idea of a super bowl ...

THIS IS IT!

IT'S TIME TO FINISH THE MURAL that was removed from the old "DRUMMS GARAGE"!!

The Mural Boards have been moved to the RM of Walpole Shop and the "COMMUNITIES IN BLOOM Gang" are ready to get the mural done!

IF you would like to be a part of the final painting – please call one of the following committee members to set up a time when you can come down to the RM Shop and paint.

Work when it is convenient for you!

Most of the background is complete and we now need some artistic "finishers" to put on the detail.

Please let us know if you are available.

WE WANT TO SEE THE MURAL HUNG ON THE FIREHALL THIS SPRING AND DESPERATELY NEED YOUR HELP!
