CHEERS TO THE NEW YEAR ...

When is Chinese New Year, which animal is it for 2017 and what is a fire rooster?

Unlike our festivities, which always take place at midnight between December 31 and January 1, Chinese New Year is a movable celebration. The 2017 Chinese New Year begins on January 28. Chinese New Year takes place on a different date each year because it is based on the lunar calendar.

The celebrations will start on January 27, New Year's Eve, and continue for around two weeks - ending on February 2 – and the year will last until February 15, 2018. Celebrations are an explosion of light and sound - involving bell ringing, lighting firecrackers, and watching traditional lion dances. Chinese families gather together for a reunion dinner on New Year's Eve. The Chinese believe that as they enter a new year, they should start a new beginning. They clean their houses to sweep away bad fortune, pay off all of their debts, purchase new clothes, paint their doors, and even get new haircuts in order to have a fresh start for the new year. Traditionally, kids would be given red envelopes stuffed with 'lucky money' and positive wishes on New Year's Day.

This year is the Year of the Rooster. The Chinese zodiac moves in a 12-year cycle, and those born in 1945, 1957, 1969, 1981, 1993 and 2005 are also known as Roosters.

What is a fire rooster? Not all Roosters are equal - there are five different types, each with different characteristics. This is the year of the Fire Rooster, which last fell in 1957. Fire Roosters are known for being trustworthy, punctual and responsible (especially at work). The other types are Wood Roosters, Earth Roosters, Gold Roosters and Water Roosters.

On the whole, Roosters are active, amusing, popular, healthy, outspoken, honest, loyal, talkative and charming. They are also known to enjoy the spotlight - but can be vain and boastful. Luckiest things for Roosters: Numbers 5, 7 & 8; the 4th and 26th days of the Chinese lunar month; gold, brown & yellow colors; gladiola and cockscomb flowers; south & south-east directions; and the 2nd, 5th and 11th Chinese lunar months. Things Roosters should avoid: the color red; the numbers 1, 3 & 9; east direction; and the 3rd, 9th & 12th Chinese lunar months.

The dragon is a very popular symbol for the Chinese New Year. It is a symbol of strength and good luck. A Chinese New Year 2017 celebration would not be complete without a giant dragon parading down the street. The dragon costume is always very colorful and can be up to 100 feet long. People inside the costume make the dragon move up and down as it zigzags past the spectators.

GROUNDHOG DAY – FEB. 2ND

Many take the time to observe Groundhog Day on February 2 each year. Groundhog Day in Canada focuses on the concept of a groundhog coming out of its home in mid-winter to “predict” if spring is on its way in the northern hemisphere. If he sees his shadow, 6 more weeks of winter ... no shadow, spring is on its way.

Many Canadians celebrate Groundhog Day by attending festivals, engaging in activities and reading or listening to news about groundhog appearances on February 2.

The Groundhog Day concept became popular in Canada in 1956 when Wiarton Willie became a household name for his early February “weather predictions”. Wiarton’s Groundhog Day festival grew as Willie’s fame increased. It became one of the largest winter festivals in Bruce County, Canada.

There are also other groundhogs in different parts of Canada. For example, Schubencadie Sam is reportedly the first groundhog in the country to stick its head out on Groundhog Day. Other groundhogs include: Gary the Groundhog in Ontario, Brandon Bob in Manitoba and Balzac Billy in Alberta.

LAWS ...

Law of Mechanical Repair - After your hands become coated with grease, your nose will begin to itch and you'll have to pee.

Law of Gravity - Any tool, nut, bolt, screw, when dropped, will roll to the least accessible place in the universe.

Law of Probability - The probability of being watched is directly proportional to the stupidity of your act.

Law of Random Numbers - If you dial a wrong number, you never get a busy signal; someone always answers.

Law of Biomechanics - The severity of the itch is inversely proportional to the reach.

Variation Law - If you change lines (or traffic lanes), the one you were in will always move faster than the one you are in now.

Law of the Bath - When the body is fully immersed in water, the telephone will ring.

WANDERING THOUGHTS

(as we see them)

Yes, we're back – rested, relaxed and recharged – well maybe 1 out of 3 ain't bad! We had a great month of quality time with family – isn't that what the Festive Season is all about? Someone asked why we came home "so soon" – our reply "wanted to make sure we got over the border before President Trump decided to build a WALL between Canada and the USA"! (At our age wall climbing is only a memory anymore.)

And while we're in the "Trump issue" – what about all the protests/marches across the country/world the first day after the inauguration! A popular publication named him 2016 Man of the Year – was that meant to be in a good way? No matter, he's been nominated and won as leader – many say "give him a chance" – scary ... however time will tell.

Sorry about the weather on the home front during our absence – we trusted the Meteorologist on Main in charge – look what happened!! Who can you really trust anymore? At least he didn't punish us – left in good weather – arrived home to good weather – and had awesome weather where we were – tanned to prove it! Summed up in one word – BACKFIRED!!

Surprised – saddened – shocked to hear about Darian Durant's decision – maybe/maybe not. Now we're hearing that a Coach Jones' comment made the decision – they say a poor excuse is better than none at all. The \$\$ sign also most likely had an influence. Durant will have time to enroll in French immersion classes so he'll be able to understand the calls! Go Riders – especially when the Alouettes visit our new stadium!!

Those-in-the-know (we hope) are telling us that we can expect to see the start of a major turnaround in our province's economy in 2017. We can only trust they know on what they speak – the last couple of years have taken their toll.

We read with great interest the World Spectator and Carlyle Observer reports on the local RBC closure meetings – awesome job! In discussion with a local business owner/meeting presenter, we wondered if the RBC reps left town holding their sides in laughter on their decision and win. Her feeling was that "on the flip-side" – they were more likely in shock and amazement how the community banded together to show their displeasure on the decision. A planned Digital Advice Night by RBC – what a joke – we predict a large venue will not be needed for the event!

Good to see the Blue Jays at our feeders again – so they are a "bad" bird in some respects but their colour is brilliant – like the cardinals where we visited.

There – we did it – our 1st report in the New Year.

Recipe of the Month

SHAKE & BAKE MIX

½ tsp cloves
½ tsp turmeric
¼ tsp garlic powder
1 tsp onion powder
1 tsp curry powder
½ tsp cayenne pepper
1 tsp cinnamon
1 tsp parsley flakes
2 cups fine bread crumbs

Combine all ingredients and store in an airtight container.

On the sixth day, God turned to Archangel Gabriel and said, *"Today I am going to create a land called Canada. It will be a land of outstanding natural beauty. It shall have tall majestic mountains full of mountain goats and eagles, beautiful sparkling lakes bountiful with bass and trout, forests full of elk and moose, high cliffs overlooking sandy beaches with an abundance of sea life, and rivers stocked with salmon."*

God continued, *"I shall make the land rich in resources so as to make the inhabitants prosper, I shall call these inhabitants Canadians, and they shall be known as the friendliest people on the earth."*

"But Lord," asked Gabriel, *"don't you think you are being too generous to these Canadians??"*

"Not really," replied God... *"Just wait and see the winters I am going to give them!"*

SNOW

Complaining has never been known to lessen the amount of the white stuff we receive every winter – and we doubt that this year will be an exception. We're still only in January so we expect some communities are watching their snow removal budgets already. Some places in Manitoba even have more than us. Spring flooding is also being mentioned considering the moisture level last fall.

Hearing of earthquakes, tornadoes, flooding, drought in parts of the world, maybe we'll take the snow and be thankful.

You know you are Canadian when you understand the phrase:
"Could you pass me a serviette?
I spilt my poutine on the chesterfield."

Old-school thinking – there are some children who should be applauded with just one hand.

CURLING

Curling fans around Wawota have their eyes/ears tuned into the Saskatchewan Women's Curling Championship Playoffs being held in Melville this week.

The Kim Schneider rink has two gals (former "Wawota-ites") curling with them – lead Kristy (Wilson) Johnson and second Natalie (Greenbank) Bloomfield. (Great to see Natalie back after a serious health time-out!)

Also of interest – Shannon (Wilson) Aleksic is playing on the BC rep team in the Scotties Tournament of Hearts Canadian Playoffs.

Natalie, Kristy and Shannon are cousins!!

Good luck to all from your Wawota families and friends.

WHY ... WHY ... WHY ??

- Why are a "wise man" and a "wise guy" opposites?
- Why do "overlook" and "oversee" mean opposite things?
- Why is "phonics" not spelled the way it sounds?
- If work is so terrific, why do they have to pay you to do it?
- If love is blind, why is lingerie so popular?
- Why is bra singular and panties plural?
- Why do we put suits in garment bags and garments in a suitcase?
- Why do we wash bath towels? Aren't we clean when we use them?
- Why do we drive on a parkway and park on a driveway?
- Why do they lock gas station bathrooms? Are they afraid someone will break in and clean them?
- Why do they put braille on the drive-through bank machines?
- Why are hemorrhoids called "hemorrhoids" instead of "assteroids"?
- Why is it called tourist season if we can't shoot at them?
- Why is there an expiration date on sour cream?
- Why do shops have signs, 'Guide Dogs Only'? The dogs can't read and their owners are blind?

SASKATCHEWAN LOTTERIES
COMMUNITY GRANT PROGRAM**
(Through the Wawota Recreation Board)

Each year funding is available through Saskatchewan Lotteries, based on a per capita amount, for the population of the Town of Wawota plus allocations of populations from RM #92 and RM#93. The program is designed to provide funding for sport, culture and recreation programs and is administered through the Wawota Recreation Board.

The Rec. Board then disperses the money to local groups and clubs that have made application for funding for their eligible programs. The fast approaching deadline to apply for the 2017-2018 Community Grant is February 28, 2017 – **NO exceptions.**

For application forms or more information on the program criteria, please see Debbie at the Municipal Office.

PLEASE NOTE: This is also a reminder to anyone that received grant monies from the 2016-2017 Saskatchewan Lotteries Community Grant Program - the **MANDATORY Follow Up Report** showing all **eligible** expenditures for your approved program must be turned in to Debbie **on or before March 31, 2017** in order for the Recreation Board to access funding for the next program year. Thank you for your immediate attention to this matter.

THE RC LEGION BUGLE ...

Our Telemiracle Fundraiser of last year – a Pizza Sub and Soup Luncheon was well received as something just a little different.

Further to our endeavours to support worthwhile campaigns in the larger community the RCL Branch #113 offers News-in-Five readers an opportunity to support this year's Telemiracle by making their donations **FRIDAY Feb. 17th**. We will again offer a **Pizza Sub and Soup Luncheon at the Legion Club Rooms from 11:30 a.m. to 1 p.m.**

Hope to see you there!

Members ... mark your calendars now as our next monthly meeting is **Wed. Feb. 1 at 7 p.m.**

Lest We Forget Lest We Forget Lest We Forget

FEBRUARY IS HEART AND STROKE MONTH.

Every seven minutes, someone in Canada dies of a heart condition or stroke. Roughly 1.6 million Canadians are living with a heart condition or the effects of stroke.

Learn the signs of a **stroke**:

Face – is it drooping **Arms** – can you raise both
Speech – is it slurred or jumbled **Time** – call 911 right away. Act **FAST** because the quicker you act, the more of the person you save.

Sudden Cardiac arrest can strike anyone, anywhere, any time. Early CPR and AED use within the first minute doubles the chance of survival.

There are a number of ways to help improve your heart health for heart and stroke month and for life; healthy eating, active living, maintaining a healthy weight, not smoking and managing other health problems are just a few. Any or all of these things can help reduce your risk of cardiovascular problems, or help to manage existing conditions.

Q: Why should you never ell a pig a secret?
A: Because they love to squeal.

Today a man knocked on my door and asked for a small donation towards the local swimming pool ... so I gave him a glass of water.

**2016-17 WAWOTA FLYERS
HOME GAMES**

Sat. Jan. 28 Oxbow at Wawota 8 pm
Concession Volunteers – Wawota Fire Dept.
Salute to 8 & Under Flyers

SHA Senior C South Quarterfinal

Sat. Feb. 4 – Wawota @ Theodore – 8 pm
Sat. Feb. 11 – Theodore @ Wawota – 8 pm

ALONG THE FLYERS' BLUELINE

And the winning streak continues ... The Flyers sent the Redvers Rockets home with a 9-5 loss on Friday night (20th). Period scores were 2-1, 7-3 & 9-5 ... all in the Flyers favour. Pool Winners were Don & Judy Steinke, Stacy Schill & Deb Saville. 50/50 winner was Rowan Murray collecting \$230.

The Atom Team played Redvers at 6 pm prior to the Flyers' game. The "future Flyers" stayed in uniform, warming up with the senior team and being introduced at the blue line and singing the National Anthem with the "big guys" – no doubt their idols!

The Flyers visited the Yellow Grass Wheat Kings on Sunday (22nd) coming home with a 11-2 loss (no – not a typo!).

The next home game will be on Saturday the 28th when Oxbow comes to the Forum – the last home game of the regular season.

League standings as of Jan. 20th

East Division:	West Division:
Wawota – 21 pts	Bienfait – 25 pts
Carnduff – 19	Yellow Grass – 18
Redvers – 18	Midale – 9
Oxbow – 14	Carlyle – 4
