Once again the kids are back to school. Why not pick up some 'extras' for the shoe boxes. It goes to a great cause and is greatly appreciated.

- Evelyn & Debbie

My sixth-grade class would not leave me alone for a second. It was a constant stream of "Ms. Osborn?" "Ms. Osborn?" "Ms. Osborn?"
Fed up, I said firmly, "Do you think we could go for just five minutes without anyone saying 'Ms. Osborn?'"
The classroom got quiet. Then, from the back, a soft voice said "Um ... Cyndi?"

WANDERING THOUGHTS

(as we see them)

“School days, school days; Good old golden rule days” – though the lyrics of this once popular song have long been forgotten – or never heard of – still come to mind as students/teachers return again to the “halls of learning” for another year. ‘Tis a happy day for most, however, sad for those who suddenly face “empty nest” syndrome! We are always amused by the amount of “luggage”, the first-timers transport on Day #1 amid good-byes and tears!

Harvest is in full swing wherever we look – swathing, combining, baling – and all that is included. We are even seeing some harvested fields being prepared for next year’s crop – and it’s only August – well September by the time you are reading this! Even see a field of flax swathed – early? Good yields/quality are being reported in our area – another great year to be thankful for – many communities not too far away are not so fortunate.

Even though the calendar tells us that we are 21 days away from the first official day of the fall season, we are seeing/smelling the changes – harvest, back to school, aroma of corral/feedlot cleaning, shorter daylight hours, cooler evenings, falling leaves, folks offering free excess garden produce and more.

On our weekly “paper trail” we are seeing a bumper crop of Canada thistle with a runner-up of sow thistle. Also can’t believe the height – and density – of the cattails – surely there must be a use for those reeds - \$\$\$ if you can think of one!

Around and about Town this week, more beautiful displays *“jump-out”* for us to see. The alternating burgundy and green trees at the Hutchison’s on West Railway are very attractive. Then the showing of morning glories at the corner of Lonsdale & Pipestone against the brown house catches our eye. A huge red geranium at the driveway of 212 Walter St. is definitely a traffic “slower-downer” also. All – and every – flower display is awesome. Is it any wonder that a recent (former resident) to our Town from Oregon commented *“Wawota looks very nice and well-manicured”* - BE PROUD ALL!

Do you like to see, hear, read about oddities? Well, here’s one. The museum ground keeper drew it to our attention. A week or so ago, mole hills were noticed in front of the big door of the Corner Building on Main. Then each day a new hill was added going north toward the museum – all in a straight line – and almost equal distance apart along the sidewalk. Is this the work of an “engineer mole”? Stop and check it out!

Our local “Meteorologist on Main” reports we have had 8½ inches of rain since April 11th – up to August 17th. (This is a far cry from what parts of Texas received last weekend from Hurricane Harvey – they were measuring rain in feet!

Sometimes people you know “strike it rich” – well, a cousin’s wife recently won \$108,246! We are awaiting a call offering to share – we’re certain they know my name and number ... waiting!!

Enjoy the last long weekend of summer

NEWS FLASH ... The “mystery digger” mentioned above has been trapped ... a larger than normal mole ... end of mystery!!

If all unkind and disagreeable words were left unsaid, and only cheery, kindly words were spoken, what a transformation would take place in the world...how different each and every life would be!!

MUSIC IN THE PARK

The weatherman tried to discourage organizers from proceeding with their plans on the 23rd – cool evening temps and strong SE winds – however determination prevailed! About 25 people gathered at Centennial Park to enjoy the music of Phil & Friends – Phil Reddekop, Judy Skiba & Jill Sweeting. (They very generously donated the silver collection to the Janelle Lamontagne Fund.)

Original plans were to have at least five such evenings of entertainment, but as you are aware, three had to be cancelled because of weather conditions.

Again determination shows – plans are to have a few more (in warmer conditions) – maybe even a Sunday afternoon! So far we've been drowned out, blown out and froze out!

Watch for the "Sign on Main", posters and announcements on social media – don't want to give that "mean old weatherman" too much advance notice to spoil our plans AGAIN!!

All those years of getting horrible elementary school pictures was just society's way of preparing you for your driver's license photo.

THE RC LEGION BUGLE ...

Can you believe this is it for August! Back to school and back to regular monthly meetings. New members are very welcome.

We meet next week **Wednesday, September 6th at 7:00 p.m.** in the Club rooms. We need to make our plans for October. Hope to see as many out as possible.

RTR HAPPENINGS

Although the next scheduled work bee/pie making wasn't scheduled 'til Friday, September 1st in preparation for the Wilson Threshing Day on the 2nd, Mother Nature had a say in things! The case of peaches couldn't wait that long, so seven (committee & volunteers) met on Saturday, August 26th producing 16 pies. (Happy to have two "RTR members of the future" join us – your help was greatly appreciated "Wendy's granddaughters".) One pie was sold before it was even baked/cooled/bagged/frozen to an out-of-town volume buyer!

Our menu on Threshing Day is beef-on-a-bun, pie & a beverage – come join us for a "remember-when" fun day!

Thanks to everyone for your great continuing support – much appreciated!

HAVE YOU MET PRINCESS?

Most people in the SW part of Town – and maybe beyond – know who we're talking about – the orange "lion haircut" cat who calls the Vet Clinic their home. (For years we called it Cecil – similarities to the famous lion who was shot in Africa by an American safari hunter).

When the Splash Park was being built, we recall the daughter of one of Communities in Bloom Committee trying and trying to get "Cecil/Princess" to test the splash park – NOT!

More recently – at Music in the Park last week, Princess strolled over to check out the entertainment – walking down the whole length of Judy's keyboard!

Please meet Princess – one of a kind in more ways than one!

“Don’t do that,” I said when one of my first graders playfully draped a dollar bill over his eyes. “Money is full of germs.”

“It is? He asked. “Yes, it’s very dirty.” He thought about it a moment. “Is that why they call people who have a lot of it ‘filthy rich’?”

RED MARKET BARN REPORT

Week #13 at the Red Barn was another hot one, however late summer shoppers came out to enjoy the music and get their last bargains of the season.

The residence at the Market took on a new look over the week – the yellow & green now is grey & black – looks great!

It's agreed that Barn Boss #2 inhaled too many paint fumes as he openly promised to be kinder to a certain accordion player for the rest of the season (1 week?)

See ya' at the last market of the season on the September Labour Day Sunday.

THANK YOU

This summer over one hundred local citizens and visitors used the baseball park for softball, slo pitch and baseball.

We would like to thank everyone who helped make this possible: Wawota Lions, Wawota Minor Ball, Wawota Pats, Slo Pitch, Donors' Choice contributors, Sask Lotteries, Wawota Recreation Board, The Town of Wawota, The R.M. of Walpole and the R.M. of Wawken. Thanks to the volunteers, ticket takers, food booth operators and preparation of the diamonds.

It was also very much appreciated the clean-up done by all groups after their events.

Wawota Baseball Park wishes to thank you.

JUST HAD TO BE

Even though we picked the Eskimos to beat the Riders on the 25th, we were pretty sure it wouldn't happen! It was a case of "humoring" the "flip-side" – he seemed quite certain that the locals would be "upset again" that we had "jumped ship" – we're used to that! For those who are keeping score – we are tied at four games each. When we "dropped off" our debt on Monday, we were confronted with a large sign on the counter which read "BRINKS PICK UP AT 9:15 A.M." - really!!

Did you realize that this game resulted in the first road win for the Riders over another western conference CFL team since Sept. 2014? Two "rarities" in the same week (eclipse and) could make history – even at our expense!

Bring on the Bombers ... GO RIDERS!!
