WANDERING THOUGHTS

(as we see them)

One week left before News-in-Five begins their Festive Holiday – and only 12 sleeps ‘til we depart to the “Land of Sun & Sand” – but there is a lot to be done between then and now!! (Could be some late night “oil-burning” happening – however the end result will be well worth it all!)

Mystery solved – the “W” who won the door prize donated by Front Porch Interiors at Customer Appreciation Nite was Wayne Broughton – thanks to all who contacted us re “mystery name”.

The Annual Hints of Harmony Christmas concert was very well attended as usual – with many out-of-towners attending. Right from the “little people” opening, the vocal solos, piano solos and the beautiful selections by the Hints – it was an awesome evening of entertainment – over \$700 was donated at the door to be given to the Food Bank!

The Forum was the scene of lots of action on the weekend beginning with the Flyers hosting the Carnduff Red Devils on Friday night. The 6 & Under Flyers were saluted at this game. All day Saturday was busy with Minor Hockey Day ending off with the Flyers playing host to the Redvers Rockets – at this time the 14 & Under Flyers (Wawota/Elkhorn) were saluted. In both games, the “Flyers-of-the-Future” were able to “warm up with the Big Guys” as well as being introduced at the blue line – what an awesome idea - hats off to the organizers!

Beware of slippery slopes! If you want to see the result, take a drive down the 200 block of Hall Street – there poor old St. Nick is hanging upside down dangling from a slippery roof – poor fellow! (The whole yard at this residence is a busy scene!)

An Alberta Clipper visited the area on Sunday evening/Monday bringing rain, freezing rain and snow – but pleasant temps. Our local Meteorologist on Main is forecasting-predicting-guessing conditions for the Holiday Season – but we wouldn’t really put too much belief in that – after all he chose Calgary to win the Grey Cup too!!!

The 49th Annual Lions Seniors’ Christmas Supper was again a great success – the guest register was signed by 130, however we estimate the attendance to have been 150 – 160 at least – they were set for 184. Winners of the wine baskets were Wesley Dennis and Mildred Wilson. Following the delicious meal, the L-Tones entertained with some old favourites and Christmas selections. The Lions were called out of the kitchen so that guests would see who all were responsible for the great evening – there was a suggestion that they sing, but immediately there was a “mass exodus” back behind closed doors! (Maybe next year for #50!)- and Allan Bunz will be “officially” old enough to attend – surprising how much difference 4 days could make!

Be sure to “take time out” to do a Twinkle Tour of our Town – you’ll be amazed at some of the displays/decorations!!

TOWN OF WAWOTA SIDEWALK SNOW REMOVAL TENDER

The Town of Wawota invites tenders for sidewalk snow removal in the downtown area as follows:

Main St. from Railway Ave. to Hill Ave. (both sides), and Railway Ave. from Lonsdale St. to Walter St. (both sides), and Walter St. from Railway Ave. to the alley.

Lowest or any tender may not necessarily be accepted and the Town of Wawota reserves the right to reject any or all tenders.

Please submit tenders by Noon (12:00 p.m.) on December 20, 2017 to the Town of Wawota, Box 58, Wawota SK S0G 5A0.

It had been snowing for hours when an announcement came over the intercom:
"Will the students who are parked on University Drive please move their cars so that we may begin plowing."

Twenty minutes later there was another announcement:

"Will the nine hundred students who went to move fourteen cars return to class."

CHRISTMAS RECIPE

Christmas Pepper Jelly

1½ cups cider vinegar
6 cups granulated sugar
4 cups peppers chopped fine (2 red, 2 green)
1 Tbsp lemon juice
1 pkg or 1 bottle Certo
2 tsp pepper flakes (optional)

Bring vinegar and sugar to boil, add chopped peppers and lemon juice. Cook for approximately 15 minutes. Add Certo and stir constantly while solution thickens. Pour in sterilized jars and seal. (Delicious with any kind of meat, scrambled eggs and more.)

GREAT SONGS OF CHRISTMAS AND HOW THEY CAME TO US

O Come, All Ye Faithful – This is one of the oldest hymns in the Christmas service, the first manuscript known to scholars dating from 1751, although the melody is much older. The translation of the Latin words now used in English-speaking countries was made in 1852.

The First Noel – This carol is believed to be of French origin, probably about 1500, although no one is really certain. Europe knew the song in the 17th century, but it made its first known appearance in print in 1883.

Joy To The World – Lowell Mason arranged the music for this carol in 1830, using a theme from the "Antioch" portion of Handel's Messiah. The words were written in 1719 by Isaac Watts, who did not intend them to apply to any special part of the church calendar.

Hark! The Herald Angels Sing – The words to this carol came before the music, written in 1793 by Charles Wesley, brother of the founder of the Methodist Church. 101 years later, the melody appeared in a cantata by Felix Mendelssohn. 15 years after that the words and music were joined by Dr. W.H. Cummings, then organist of Waltham Abbey in England – presented for the first time on Christmas Day 1885.

Silent Night, Holy Night – One of the most famous stories of all time surrounds the composition of this beautiful carol. It was written on Christmas Eve, 1818 in the Village of Oberndorf, Bavaria. The church organ had broken down and organist Franz Gruber and Vicar Joseph Mohr wanted music for the holiday services. Gruber wrote the music and Mohr the verses, and the carol was first heard the next day in a 3 part arrangement, accompanied by a guitar.

Away in a Manger – Although scholars dispute the point, many believe that this carol was written by Martin Luther for his children, and it is often called Luther's Cradle Hymn. There are several different melodies for the lyrics.

O Little Town Of Bethlehem – A young clergyman named Phillips Brooks wrote the poem for this carol, basing it on his memory to the Holy Land one Christmas. The children of his Sunday School so loved the poem that they asked Lewis Redner, the organist, to write music for it. Legend has it that Mr. Redner promised to write the music within a week, but after several days had not yet composed a note. He awakened during the night and sensed a melody running through his mind and leapt from his bed to write it down. Next morning the song was presented to the Sunday School. The church was that of the Holy Trinity in Philadelphia and the year was 1868.

We would walk right up to heaven

Christmas is a time when everybody wants his past forgotten and his present remembered.

Did You Know ...

Alert, NWT, the world's most northerly settlement, is a weather and signals settlement only 427 miles from the Pole. It was established in 1950 by the Canadian government. It is east of Halifax and is nearer to Moscow than to either Toronto or Montreal. From a 1,250 foot hill near the station, Alert's handful of service people can see the mountains of Greenland, the icy wastes of the polar cap and the mountains on Ellesmere Island.
