### TO OUR MANY FRIENDS, READERS AND ADVERTISERS – FAR & WIDE ...

It is that time of year when we take time to look back and reminisce on all that has taken place in the past twelve months.

We, at News-in-Five, have so many people to thank – to all those who support us and give us encouragement with your advertising, donations, contributions of news items, jokes, “criticisms”, etc. Without this community support, we could not be heading into our fifteenth year of success!

We wish you all great joy and happiness as you celebrate “*the reason for the season*” – and all throughout the New Year.

- Garry, Shirley & our many helpers.

The Town of Wawota would like to wish everyone a Merry Christmas and Happy New Year! May you enjoy a safe and festive holiday season.

## WANDERING THOUGHTS

(as we see them)

As we begin to put together another issue of News-in-Five, we wonder how many more times we'll be doing this! We hear that the City of Moose Jaw have lost their daily paper which had been in existence for over 100 years; the Oxbow/Carnduff area are no longer to receive a local publication – social media is definitely showing its presence! Times change – and in our modern society we have to be willing – and ready – to accept.

We hear that the 2018 CFL schedule is already public – earlier than usual – and also the season is to begin earlier – maybe no more Grey Cups being played in a blizzard in open stadiums?

As we drive around the Festive decorated streets, we notice several residences/businesses have an amaryllis in full bloom in their windows – some with up to 6 – 8 blooms. Unsuccessfully we continue to try to keep them over from one year to the next – nice foliage – no flowers!

And more changes – we hear that 67% of Canadians (64% in our province) have dropped their telephone land lines in favour of cellular to save costs. Problem is that cell numbers are not as readily available as land lines – once again, could some local organization (looking to do a fundraiser) put together a cell# directory? It is hard to contact a person when you have to, when you do not have the cell phone number.

As usual at this time of year, the flu bug has come to visit. With many folks partaking in all the Festive parties/concerts and other gatherings, it's pretty much impossible not to be in contact with someone who is already infected. And the mild/unseasonable temps (as much as we appreciate) tend to have us not dressing as warm as we should. The "local forecaster on Main" is forecasting cooler temps on the way (maybe even as you are reading this) so maybe the BUG will take off!

Being yearend, 'tis the time to remember those less fortunate – and to contribute to the cause if possible. Souls Harbor is one of those we choose to help – a personal phone call was received with their appreciation! Sometimes we can't help but wonder if – and where – donations are received and actually go to where intended. A personal call certainly makes one feel more confident.

Though it is supposed to be a cheerful time, it is not such for many – serious illness, recent bereavement, work layoffs and other reasons. Please be ever mindful of these folks – and if possible – let them know they are being remembered.

No Christmas season is complete until we watch the Sound of Music – once again! Even though we know what each scene holds, there is a "magical spell" that keeps one watching.

Well, here we are at the end of our last column for 2017 (and a few more). We wish you all the best in the New Year and who knows, we may take time out from the "*Land of Sun and Sand*" to send a line or two periodically – if our schedule will allow!

'Til then, keep smilin' ... ..

## PREDICTIONS FOR 2018

As we look back on our predictions for 2017, we came out about 50% correct.

### **Came true**

- The Riders didn't win the Grey Cup.
- Crowds at the Red Market Barn will continue to break records.
- Donald Trump didn't get his wall built.
- Moosomin Community Band did do a concert in Wawota.
- That one new business will set up in Wawota – we got two (Ivy & Elm and Beauty Shop)!
- News-in-Five editors will make – and break – New Year's Resolutions all before January 31<sup>st</sup>.

### **Didn't come true**

- A cell phone directory was not made.
- A "turn-around" of the wagering at Meteorologist on Main never happened.
- After the Royal Bank left town, a replacement did not move in.
- The Canadian Dollar did not see par with the US counterpart by March 1<sup>st</sup>.

### **OK – now for this coming year ...**

- The Flyers will win their 3<sup>rd</sup> consecutive Big 6 title.
- One or two new homes will go up in Van Dresar Cove.
- KoRner Kones will add more new yummy items to their menu.
- Music in the Park will happen more than 3 times this summer.
- Heritage Days/Ranch Rodeo will continue to be successful.
- Country Blend will be back to do another concert in 2018.
- Riders will be at the Grey Cup and win!!
- Mosaic Stadium (Regina) will be the venue for a "big name" performer.
- If Bridge does not return to the Riders as quarterback, Jones will sign a "superstar"??
- Another new business in town.
- The Lot next to the Municipal Office will finally be turned back to the town and used for housing/businesses.
- This winter will be unseasonably warm.
- Snow will fall in California this January when "some" people will be holidaying there!!

## **“T’WAS NEW YEAR’S EVE**

“Twas New Year’s Eve and all through the tavern,  
Friends greeted each other with, “What are you havin?”  
When from up at the front, there came a loud shout  
Last call for drinks, boys, then everyone out.

Away to their cars the customers stumbled,  
And keys into locks were nervously fumbled.  
Then turned on the motors and clashed all the gears,  
And scared the pedestrians out of ten years.

Turning up Main Street, I spotted a dame,  
I whistled at her, but she called me a name.  
Left turn at the corner and doing all right  
When what should appear, but a Cop on his bike.

And then in a flash I saw up ahead,  
That the signal has turned from amber to red.  
I pulled in my head, put my feet on the dash,  
Then the street was lit up by one H--- of a crash.

With scalpel and scissors and ninety-eight stitches  
They drew me together like father’s old britches  
The Doc hardly spoke, just went straight to his work  
And said to his Nurse, “Get rid of this jerk.”

But I didn’t get out, cause the Copper was there,  
Who carted me off to the jail without care.  
And I heard his exclaim as he locked me up tight,  
“Happy New Year, you fool,  
you’re through for the night.”

*In our hearts your memory lingers  
Always tender, fond and true  
There's not a day, dear friend  
We do not think of you.*

*Lovingly remembered by the  
Raise the Rafters Gang*

A husband, the owner of a new car, was somewhat reluctant to allow his wife to drive his prize possession, even to the grocery store, which was only a few blocks from the house. After she insisted, he finally relented.  
*"Remember if you have an accident, the newspaper will print your age."*

Q: What do you get if you eat Christmas decorations?

A: Tinselititis.

It was Christmas and the judge was in a merry mood as he asked the prisoner, *"What are you charged with?"*  
*"Doing my Christmas shopping early,"* replied the defendant.  
*"That's no offence,"* said the judge. *"How early were you doing this?"*  
Defendant's answer, *"Before the store opened."*

## HOW RARE

A rural farmer shared with us a most unusual/rare sighting that they recorded on their smart phone.

A deer (buck) was noticed out in a field acting in an unusual manner – seemingly attacking something on the ground.

On a closer look, it was observed that the buck was entangled with the head of another buck. The rest of the carcass was nowhere to be seen – assuming that coyotes or other predators had consumed it.

As the watch continued, the buck suddenly laid down – and upon inspection was found to be dead.

The Twelve Days of Christmas was created in England during a time of religious persecution when Catholicism was outlawed in the 16th to 18th centuries. The song was written as a kind of secret catechism that could be sung in public without fear of arrest – a learning or memory aid to Christians in fact. Each verse refers to a teaching of church doctrine — with the partridge being Christ who died on a tree and the “True Love” being God the Father, who gave us all gifts. The 12 days of Christmas are the 12 days between Christmas Day, Dec. 25th, the birth of Jesus, and the Epiphany, Jan. 6th, the day Christians celebrate the arrival of the Magi (Wise Men) and the revelation of Christ as the light of the world.

***Each element in the song is a code word for religious truth:***

1. The partridge in a pear tree is Jesus.
2. The two turtledoves are the Old and New Testaments.
3. Three French hens stand for faith, hope and love.
4. The four calling birds are the four Gospels.
5. The five gold rings recall the Hebrew Torah (Law), or the Pentateuch, the first five books of the Old Testament.
6. The six geese a-laying stand for the six days of creation.
7. The seven swans a-swimming represent the seven gifts of the Holy Spirit.
8. The eight maids a-milking are the eight Beatitudes.
9. Nine ladies dancing are the nine fruits of the Holy Spirit.
10. The ten lords a-leaping are the Ten Commandments.
11. Eleven pipers piping represent the eleven faithful Apostles.
12. Twelve drummers drumming symbolize the twelve points of doctrine in the Apostles Creed.

**THE RC LEGION BUGLE ...**

Mother Nature came early to spoil our plans. Two Legion members spent one afternoon with a brush to clear the snow off the pillow (flat) headstones to decorate the veteran's headstone with a small paper Canadian Flag in Remembrance.

We visited several of the nearby cemeteries and found the ones named on our list.

So if you see a flag waving now you know what they mean. Just say, "Thank you for your service."

Members we need you. Memberships are now due. Please call or see Andrea Smyth for the 2018 version.

This is a reminder that we plan to meet on January 3, 2018 at 7:00 p.m. This is a regular meeting.

### ALONG THE FLYERS' BLUE LINE

After a noticeable absence from the winning side of the scoreboard, the Flyers turned things around on the 12<sup>th</sup> when they were in Arcola for a makeup game from the November 21<sup>st</sup> schedule – winning 11 – 0.

The winning streak continued on December 15<sup>th</sup> when the Midale Mustangs were guests – 4 to 3 was the final tally. The Novice Flyers Team #1 were saluted at the game. Pool winners were Coralee Brehaut, Sherry Metz (Fairlight) & Paul Lamontagne. 50/50 winner was Meredith Swanson collecting \$215 – he generously donated some back to the Flyers!

The following night, the Bienfait Coalers (with a lineup of only 11 players) were in Town – and once again the Flyers came out on top 5 – 2. Pool winners were Twila Lincoln, Tim Lincoln & Cheryl DeRoo. 50/50 winner was Phil Longstaff collecting \$180. The Novice Flyers Team #2 were honoured at this game.

On the 20<sup>th</sup>, Arcola/Kisbey Combines are scheduled to be at the Forum. And next home game is on Saturday (23<sup>rd</sup>) when Carlyle is in Town.

***Season's Greetings to all from the Flyers team, management and helpers.***
