WANDERING THOUGHTS (as we see them)

No doubt, "empty-nest-syndrome" will be hitting a few homes this week – with "our baby" leaving to further their education away from home or just the youngest-of-the-clan beginning their schooling! In a few cases remarks such as "never thought I'd see the day" or "at last" were maybe said but in most cases we're sure a tear or two were seen! At our location we get to watch with great attention as students arrive via bus or with Mom & Dad – some with lingering good-byes while others taking an immediate dash to meet their buddies to "hash over" all the summer fun!

For a time, we at News-in-Five, expected this week to be on the "dull side" compared to the other week's "dilemma" of the incorrect date (for some anyway) – no phone calls, emails or texts! But, already, we see that this isn't about to happen – are you ready?

While travelling the 200 block of Main Street on the weekend, we notice a big, shiny Harley Davidson bike parked in front of the residence of the "head matriarch" of the Super Duper Scooter Gang" (SDSG) – does this mean that a promotion is in the future?? And also, the press has been advised that membership has increased – and that Town bylaws could soon see revision for special parking areas!! (We love you folks – and thanks for keepin' humour alive!)

Maybe not so humorous – the Farmers' Almanac is predicting a well below cold and long winter for Sask – especially February -40°C or -40°F (at that temp who really cares if they read the same!) Points south are already lookin' good – if NAFTA will allow!

Major airlines upping their baggage fees isn't great news either – on a recent trip we noticed how crammed the overhead storage was – carry-ons might be taking on a brand new meaning.

And on the topic of travel – we hear that there is "talk" about putting cruise ships on the Great Lakes. At this time of year with all the fall colours in that area, such trips would be awesome -- & popular ... interesting!

Autumn colours are becoming more attractive daily – the Virginia Creeper changes to a brilliant red as we watch – and Jack Frost is not responsible as the old myth once stated! Many shrub tree varieties are changing to yellow, orange, red, burgundy – take time to enjoy!

More changes – in real estate this time. The Skyline Motor Inn on the west entrance to Carlyle has disappeared – have memories of playing music there as well as attending Canada Post seminars & family reunions. Also on Main Street in Moosomin, the former Howe's Bakery (most recent Thrift Store) has been demolished – all in the line of progress!

What better way to end – the subject of cattails! We are noticing their abundance – and height – this year. We're still looking for a use for them (besides what Mother Nature uses them for) – insulation, food, etc?

And Jack Frost decided to drop in for a visit this week. We knew he would be coming, but had hoped it would be much later this month! Nighttime temps are supposed to move up again – for a few days.

So much for the BORING week

RTR REPORT

Last Saturday (1st) saw four members and a helper at the Wilson Threshing Day serving dinner/lunch to a very hungry group of spectators and “harvest production crew”.

30 “freshly-built” pies left Town with only 4 to return (selling by the piece or whole). Beef-on-a-bun or egg salad-on-a-bun plus a beverage completed the menu. (One member even “lent a listening ear” to a play-by-play lifetime story – made a sale though!)

September 11th will see us doing a noon luncheon for an Area Retired Teachers' Group at the United Church Community Centre; and on the 13th we'll be serving lunch to the Sask Crop Insurance Seminar folks at the Drop In Centre. (In between, 5 pies found their way to the Ladies' Golf Windup at Kenosee).

And yes, we have 29 frozen pies on hand (apple, cherry, saskatoon, rhubarb/strawberry and rhubarb custard).

MEMORIES BROUGHT BACK

A beautiful fall/harvest day added to the success for the 3rd Annual Threshing Day at the Wilson farm on Saturday. An attendance of 190 plus interested folks were on hand to watch the harvest – “old tyme style” right from cutting the crop to the final step.

A collection of old tractors, a wire tie baler, antique vehicles and more were on display. Don Holloway from Kipling had his model steam engine and accessories on display. Wawota Museum had some of the late George Rogers' farm creations on site for people to view.

The local United Church Raise the Rafters group were in attendance with their Beef-on-a-Bun/Egg Salad Bunwich – and of course their famous home-made pies.

The three generations of Wilsons – Ken, Kevin & Colton and their families are already making plans for the 2019 show – Congrats on a job well done folks.

Watch next week's paper for pictures – compliments of the World Spectator – we thank them for sharing. A complete story with pictures will appear in the World Spectator's next publication on the 10th.

MOTHER NATURE'S FIREWORKS ...

Mother Nature decided to celebrate the end of the long weekend with her own version of a fireworks display. If you were looking to the eastern skies on Monday night, you were treated to an awesome lightning show. A huge fluffy (but threatening-looking) cloud in the eastern sky was accented with constant flashes and zig-zagged streaks of lightning. We were thankful that we could sit back and observe this unbelievable display but were happy that our community 'dodged the bullet' and did not have to bear the brunt of this storm.

Wawota playground committee Fall Newsletter 2018

What a whirlwind of a first year we had! We started out with a total of \$8567.72 that had already been raised by WPS staff, students, families, and WPS SCC! The Wawota Playground committee kicked off their fundraising efforts with a Poinsettia fundraiser raising \$847.86.

We had the opportunity to cater the Wawken Rebate Supper April 17, 2018 raising \$2466.00! Thank-you to our volunteers who worked the supper and those that donated food.

We hosted a dance April 20, 2018 that raised \$1649.72. This is a combined total including ticket sales, concession sales, and monetary donations made at the dance. Very special thank-you to Mrs. Viola Taylor, Mrs. Myrna Olson and everyone else who donated baking. An extra thank-you to Mrs. Olson for saving the day and lending us her very capable popcorn maker, and Carey for racing to pick it up! Thank-you Austin Johnson, Jaicee Lemieux, Breck Van Meer, Dylan Mansfield, and Riley Klein for donating your time to work concession and DJ the littles dance. Thank-you Kathy Hamilton for donating coupons for the kids to enjoy a free meal at the Wawota Village Inn! Thank-you Sydney Shire for donating your time and talent taking pictures and providing a photo booth. A very special thank-you to Dale Orstead for providing the DJ equipment for the littles dance and being our DJ at the teen dance! We greatly appreciate everyone who helped make this dance a success, especially the kids/teens!

We kicked off our Beer & BBQ Survivor in May. Kayla Porter & Kelsey Rekken entertained us weekly travelling to such destinations as Mexico, Canada, Australia and Kelsey's backyard! A very special thank-you Kayla & Kelsey! You were hilarious and we all very much enjoyed your antics! Thank-you to all of our survivors who entered and bought immunity to stay alive, because of you we raised an amazing \$5204.39! 1ST place was won by Evelyn Maccuish, 2ND place: Don Fowler, 3RD place: Kyla Fingas. Congrats to our lucky survivors. A special thanks to Jaime Finlay and the Wawota Arts group for lending us their fundraising idea.

Enbridge donated \$10,000.00 to our efforts in June! Thank-you Enbridge!

Our 1st Annual Golf Tournament was held June 23, 2018. Thank-you to our hole sponsors, The Moosehead, Golf Kenosee, all the volunteers who planned, organized, and worked the tournament, or that donated food. You raised a whopping \$8158.73!!

Thank-you to anyone who donated directly to the school account, supported pizza lunches, or held a fundraiser on our behalf. It raised an additional \$3,265.61, giving us a grand total of \$40,156.03 raised to date!

Rather than set a monetary goal we decided to continue to raise funds until July 2020 and the current board at that time can decide to continue fundraising or build a structure with what has been raised.

Special thanks to our outgoing board:

*Kayla Porter, President
Lynette Chevelda, Vice
President
Kelsey Rekken, Treasurer
Michelle Klein, Secretary*

and a warm welcome to this year's board:

THEY WERE ALL CLASSICS

Of course we're referring to the CFL games on Labour Day weekend.

The Rider/Bomber game was the "usual" grudge match – could have gone either way. It depends if the "Banjo" is in tune or not on Saturday how that game will go.

In the Stamps/Eskimos game it was another teeter-totter picture. With hopes of a second loss for Calgary (and remember who gave them their only loss so far), 'twas good to see the Esks have to share second place!

And finally the East division game – it too was close for awhile then the Ticats pulled out in front.

SGI ACCREDITED COLLISION REPAIR ELITE

SGI CERTIFIED INSPECTION STATION

An Eskimos fan, a Riders fan and a Stampeders fan are climbing a mountain and arguing about who lives their team the most. The Eskimos fan insists that he is the most loyal. "This is for the Edmonton Eskimos," he yells and jumps off the mountain.

Not to be outdone, the Riders fan is next to profess his love for his team. He yells, "This is for Saskatchewan," and pushes the Stampeders fan off the mountain!
