IN FLANDERS FIELDS

*In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.*

*We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Love and were loved, and now we lie
In Flanders fields.*

*Take up our quarrel with the foe
To you from failing hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies
grow
In Flanders Fields.*

- John McCrae

FALL SUPPER – MISSING POT

Hats off to everyone who worked and brought food to the United Church Fowl supper. It was a great meal. Thank you to Shawna Cudmore and Heather Draper for organizing it. Also everyone who went above and beyond in helping. Someone accidentally took my pot home from the hall. It is a Martha Stewart everyday with a copper bottom. I would really like it back. If you could phone me 306-577-9405. I would really appreciate it. Thanks.

WANDERING THOUGHTS

(as we see them)

The weather became more seasonal over the past week – although we're not overly pleased with the freezing rain. But I guess we may as well get used to it – 'tis the season!

And what are we hearing now – for Saskatchewan they are now saying we can expect a warmer than normal winter with below normal precipitation – at least until February. Only weeks ago we're sure we were being warned of colder temps and more snow than usual! Guess it's like the song, "Que Serra – Serra" – what will be will be!

The Moosomin & District Arts Council opened their 2018-19 season on the 30th with Ian Sherwood on stage. He is from Halifax and is a one-man band playing saxophone, guitar and does vocal. Using modern technology, he was able to accomplish three part harmony in all aspects giving the sound of a large group – quite amazing and most enjoyable.

Halloween 2018 has come and gone and once again, most younger (& some older) folk "*hit the sugar high*". Some areas of Town report lower numbers of visitors than usual – some had well over 100 in other areas. One resident told us that he had to rush to the store shortly after 5:30 when he realized his inventory was in danger of depletion. Via the grapevine, we hear that 400 plus visited the Haunted House at the Hotel. (No headless body showed up in our yard this year – the shock from last year still lingers!)

On our travels we notice that ditches have been mowed right to the fence-line on some roads – looks good and makes it much easier to spot any wildlife who are planning to cross before it's too late. Also seeing much activity in our Highway #48 – pipeline construction, shoulder paving, surveying, line painting. Bottom line – drive with caution!

Once again (an annual event) the streets in Fairlight were lined with vehicles – folks taking in Home Sweet Home's Christmas and Open House and the craft & trade show on the 3rd. This year instead of the usual soup 'n sandwich noon luncheon, a Ukrainian cuisine was served – unique and very tasty.

Our Manitoba friends are "seeing it our way" once again – for a few months - changing their clocks an hour back on Sunday – sure makes it easier when keeping appointments – so, who cares?

And for our "blooper-chasers" – did you see last week's edition – the answers to the Quizzle were reversed. (We do this on purpose just to see if anyone is actually reading our efforts!)

Hopefully all the Seniors and Senioresses got home safely from the Mexican Fiesta before the "WALL" got too High! A few margaritas/tequilas would make them run/climb faster!

Fall supper #4 checked off our "bucket list". According to ticket numbers, 316 people attended the local United Church supper on Sunday. Organizers tell us that this is around the usual attendance. Hopefully, we can find at least one more supper to attend.

Mexican Fiesta – November 2nd – WASN'T THAT A PARTY?!! Musical entertainment was enjoyed throughout the evening by musicians Ed Fahlman, Mark Kruell & Chris Byrne. All in all, it was one great evening of fun and fellowship! "Hat's Off" to the organizers – we can hardly wait to see what their "theme" might be next year! Lesson learned – a community that works – and plays – TOGETHER stays TOGETHER!!

YOU ASKED ...When is the Lion's Seniors' Christmas Dinner – and how many years have they been doing this?

ANSWER ...This year's date is Monday, December 10th – and this will be the 50th Annual!

NO WAGER EXCHANGE

With the Riders having the bye last week, we could not collect – or didn't have to pay – any Toonies (or is it ttoonies)?

The Stampeders win over the Lions made the decision that our Riders would play host to the Bombers on November 11th.

While the Stampeders “wait & see” if they play the Riders or the Bombers on the 18th. The Lions are off to play the Ticats in the East semi-final, also on the 11th.

CELEBRATION OF LIFE for NEIL W. DENNIS

To our community of family, friends and foes we extend an invitation to attend a casual afternoon to EAT, PRAY, LOVE.

Neil loved to eat and share a meal and so we will on November 12 at 12 o'clock.

All that have shared a meal with him know he was forever looking for one of those round things that smelt so good! If you happen to have one you are welcome to bring it.

Following the service the floor is open to all who wish to share: be it a prank Neil may have pulled (who me?!?), a story, how he may have influenced you, etc.

The family will be ever so grateful for the love/laughter/prayer expressed. And should there be any round things left we may have to finish them up too!

FLYERS' HOCKEY POOL

Once again, hockey season is fast approaching – and
it's time to get your name on the Flyer's Hockey Pool.

If you haven't purchased your square(s) as yet, don't
delay as there aren't many left. You can get one at
Chimo or at the admission gate on Friday night -
\$10/square gives you 30 chances to win \$10, \$10 or
\$30 at each home game (10) – GOOD LUCK!

During a home renovation, my grandfather
was watching me drive nails.
"You hammer like lightning," he said.
"Really?" I replied, flattered.
"Yup, you never strike the same place
twice"
