WANDERING THOUGHTS
(as we see them)

Liveable, acceptable, reasonable, “down-right” balmy – all expressions to describe our weather this week compared to the first part of the month! Some new names we are hearing to describe the cold spell are Polar Express, an Arctic Pipeline – and a few we best not print!

With the record-breaking temps, we can take “comfort” in telling the next generations – “remember February of 2019 – etc.” “It was so cold that...” – put in whatever you want!

One day last week, we saw on TV that Hawaii, Vegas and areas in California all had snow – and almost daily, we hear about unusual winter storms hitting some place – methinks Mother Nature has picked up a VIRUS!

We missed Teacher Appreciation Week – however, it’s not too late to still say “thank you” to those who make it their purpose to mold the minds/mind the molds of our country’s “Leaders-to-be” – you are APPRECIATED.

We’re hearing/seeing where some neighbouring communities are soon to be hosting their annual Music Festivals. Remember when our Town did likewise – running for the better part of a – or maybe a whole – week – and sometimes in more than one venue. Our good luck wishes – and congrats – to anyone from our area taking part in these recitals in other areas.

Teachers, students, support staff, custodians, bus drivers – and yes, parents – have enjoyed a week off from school for the “winter break” – hope all used the “time-out” to do those “other things” – the next one will be in April!

The local Legion hosted a Valentine’s Soup ‘n Sandwich Luncheon on the 14th – an attendance of about fifty enjoyed the delicious offerings – included was old fashioned bread pudding! Each lady in attendance received a carnation – an added “little touch”.

Some locals attended the Pro-pipeline Rally held in Moosomin on the 16th – and the truck convoy the previous day. One comment made by Andrew Scheer, Conservative leader in Canada, that caught our attention was when he said that the Government had overpaid when purchasing the pipeline project – and adding that they probably bought the extended warranty package, too – CUTE? Was it a coincidence that a train derailment near St. Lazare happened at the same time – carrying oil!!

And another coincidence – gas prices are on the rise – AGAIN – up 7¢ a litre in some areas – WEIRD!

By the time you are reading this, we’ll know if Grey Cup 2020 will be held at Mosaic Stadium … …

As we are quickly wrapping up February 2019 – will March come in like a Lamb or a Lion – what’s your prediction?

FROM THE MOUTHS OF THE YOUNG ...

We rushed our four-year-old son, Ben, to the emergency room with a terrible cough, high fever and vomiting. The doctor examined him carefully, before asking Ben what bothered him the most. After thinking it over, Ben answered hoarsely, “I would have to say my little sister.”

While leading a tour of kindergarten students through our hospital, I overheard a conversation between one little girl and an x-ray technician. “Have you ever broken a bone?” he asked. “Yes,” she replied. “Did it hurt?” “No.” “Really? Which bone did you break?” “My sister’s arm.”

At an airline ticket counter, a small boy travelling with his mother told the agent he was two years old. The man looked at him suspiciously and asked, “Do you know what happens to little boys who lie?” “Yes,” the little boy replied, “They fly at half price.”

PLEASE NOTE
DEADLINE OF FEBRUARY 28TH TO APPLY FOR:

2019 – 2020 SASK LOTTERIES COMMUNITY GRANT PROGRAM
(Through the Wawota Recreation Board)

Each year funding is available through Saskatchewan Lotteries, based on a per capita amount, for the population of the Town of Wawota plus allocations of populations from RM #92 and RM#93. The program is designed to provide funding for sport, culture and recreation programs and is administered through the Wawota Recreation Board.

The Rec. Board then disperses the money to local groups and clubs that have made application for funding for their eligible programs. The fast approaching deadline to apply for the 2019-2020 Community Grant is February 28, 2019 – NO exceptions.

For application forms or more information on the program criteria, please see Debbie at the Municipal Office.

PLEASE NOTE: This is also a reminder to anyone that received grant monies from the 2018-2019 Saskatchewan Lotteries Community Grant Program - the MANDATORY Follow Up Report showing all eligible expenditures for your approved program must be turned in to Debbie on or before March 31, 2019 in order for the Recreation Board to access funding for the next program year. Thank you for your immediate attention to this matter.

3. Why are you “in” a movie, but “on” TV?

Here we are celebrating 20 years plus! It has been an interesting journey of decisions, setting up a business and dealing with changes along the way. First we will deal with how it all began.

It was November 1997 when Meredith Swanson visited the Thrift Store in Rocanville and caught the vision that because Wawota needed more businesses, this was a good option. As he talked to people there was a certain amount of skepticism, but the positive thinkers made a trip to Rocanville and came home ready to go ahead.

The structure was as follows: Darlene Wallin was the start-up coordinator and overseer. There would be a representative from each of the four churches involved, namely: United, Roman Catholic, Free Methodist and Church of Christ. The store would be open Tuesday and Thursday 2 – 5 p.m. The Town offered the “Old Bank Building”, 104 Main Street, rent free and all workers would be volunteers. Opening Day was February 3, 1998.

We outgrew that facility and were able to use the Old Allison Store next door for extra space and larger items. We desired better facilities. It was good, good news when one half of the Health Care Foundation Building was made available in August 2004 – also rent free. It continues to be an excellent facility and we are thankful for it.

We needed a place to store our bags of clothing, etc. that were ready for Community Living so we purchased a shed in June 2006.

In January 2007 we began paying rent to the Health Care Foundation.

The skeptics were wrong. People from the community came on board making this a success story. There has been a good working relationship among the churches, each being responsible to provide workers every fourth week. It is our intention to operate a friendly atmosphere where people want to come back to and word of mouth makes good advertising.

We are able to offer help to locals and with the extras to places like Souls Harbour, Carmichael Outreach, Community Living, Women’s Shelters, etc.

After paying expenses, the profit is divided equally among the four churches.

If you would like to help in any way, you do not have to belong to any church. Just come and join workers any day we are open or talk to somebody already involved. This project belongs to the people of Wawota and area.

Some financial figures of interest taken from records from 1998 to 2018:

- Total Sales $374,906.65
- Profit Shares $74,480.00 to each church. Total $74,480.00
- Operational costs $76,986

You are invited to join us for a 20 YEAR CELEBRATION with free Coffee and Cookies on March 5th, 2:00 – 5:00 p.m. At the Thrift Shop

**Did you see the SUPER MOON on Wednesday, February 19th?**

The moon, also called the Super Snow Moon illuminated the night sky on Wednesday. The moon was both full and at its closest distance to Earth. The Super Moon was the second of three super moons this winter and it was the biggest and brightest of the trio. The super moon was 10 percent larger than the typical full moon that you see on any given month. On top of that, it was just 221,681 miles from Earth.

We were blessed with clear skies the night of the 19th making the sighting of the Super Moon quite spectacular.
SASKATCHEWAN POEM

It's winter in Saskatchewan
And the gentle breezes blow
Seventy miles an hour
At thirty-five below.
Oh, how I love Saskatchewan
When the snow's up to your butt
You take a breath of winter
And your nose gets frozen shut.
Yes, the weather here is wonderful
So I guess I'll hang around
I could never leave Saskatchewan
'Cause I'm frozen to the ground!

THANK YOU

Our family is incredibly humbled to learn about the financial gift that was raised for us (after our devasting fire) by our friends in Wawota spearheaded by the Wawota Flyers. It does not surprise us since caring for our own is what Wawota has always been about. The kindness and caring that Wawota shows us is a huge reason why we love coming back for 3-4 weeks each year. Also thank you to family and former Wawota residents/friends who have given us support and kind wishes. We wish we could thank each and every one of you personally but we know that is not possible, so from the bottom of our hearts thank you.

ALONG THE FLYERS’ BLUE LINE

Wow – what a game!! When the Redvers Rocket entered the Forum on the 15th for game #2 of the best of five series against the Flyers, we’re pretty sure that they would be going home with a win – WRONG – the Flyers had other ideas! It took a second overtime period to do it – but do it, they did – 5 to 4!! Period scores were 1-1-4-3 for the Rockets and 4-4 at the end of the third. Pool winners (final game) were George Eisler, John Wilson and Todd Davies. 50/50 winner of the $500 guaranteed pot was Stephen Duke.

The Flyers travelled to Redvers on the 20th for game #3 of the best-of-5 series coming home with a score of Redvers - 4  Wawota - 1. Game #4 was back at the Forum on the 21st. Results will be posted in next week’s News-in-Five.

In SHA Provincial Playoffs, the Flyers will be in Craik on the 23rd at 7:30 p.m. with the return game at the Forum on March 2nd at 8 p.m.
