WANDERING THOUGHTS (as we see them)

How much rain you ask? Well, in Town, we are hearing 9.1 inches since April 1st.

At our meteorologist station – east of Town, slightly less has been registered as the “sharp shower” that hit Town on the 7th bypassed the official recording spot!

Harvest is on everyone’s mind these days – and most of all the farmers as they listen to the forecast and anxiously watch the skies!

Last Friday’s Farm Report told us that 33% of the provincial harvest is completed with the SW farthest ahead followed by the SE.

We are hearing reports of a theft/vandalism and break & enter happening at Pipestone Apartments at the north end of Main Street recently. The battery from an older truck was taken – but not by just lifting the hood and retrieving – a hole was literally cut in the cab to gain access to the battery!

Then a window was broken in the actual building to gain entry – a next door resident reported a door open to the owner.

We are warned to keep vehicles and properties locked – guess this might slow the process down, however if they are determined to complete their plan, they’ll find a way!

Recall a few weeks ago, we wrote about the properties for sale – or rent – on Pipestone Avenue? Encouragingly/exciting news – as of printing, every property has been sold – or rented – ‘tis the place to be – welcome one and all!

Say vigilant and heed the restrictions/warnings

NO CFL – 2020 !!

After waiting in hope that somehow “the powers to be” would find a way to be able to us a football “season of sorts”, the decision came down on Monday.

The key factor is of course \$\$ - and it takes a lot to keep such an organization afloat.

With this decision, the future of the CFL could be an issue – whatever – the 2021 Grey Cup is scheduled for Hamilton - ??

RTR UPDATE

Another “record breaking” – 134 pies in eight varieties were created on Saturday – in 4 ovens.

Of those 134, only 80 made it to Market – the remainder never got to leave Town!

Jam/jelly/relish sales totalled 102. A batch of antipasto was added to the inventory this time – 9 of them sold.

This week sees the gang preparing to assist at the Southeast Angus Tour on Thursday at the Eastondale farm – more fun!

RED MARKET BARN REPORT

Boomtown from Regina had toes tappin’ at the Market on Sunday – they filled in for the L-Tones who were unable to be on stage.

Barn Boss #2 (who has been promoted recently to Barn Boss #1) informed the media that he is taking guitar lessons hopefully to be “the entertainment for (of) the season” next year! (Haven’t had a circus in the area for awhile.)

Only 3 markets left – Covid-19 has made for a very trying time for B & H – they have gone “above & beyond” to try to keep everyone happy – a year like no other.

Insults affect humans the way a branding iron does cattle.

At harvest time farmers give up meals at the dinner table so we can have meals at ours.

You asked ??

Question: A few weeks past, the question was asked who is responsible for the “services available” sign along the highway east and west of Town?

Answer: Scoop did some enquiring and a friend did a “follow up”. Upon close inspection, it was found that one of the squares had “weathered-out” in need of replacement. Seemingly, this is a Department of Highways responsibility and not the Town’s – they have been informed.

SOME LIKE IT - HOT

Well, they should be happy this week – as we are writing, we hear that several centres in the province broke records today (Tuesday) – Regina at 35°, Assiniboia at 36°.

We've decided that we don't really like to hear the figure 30 when it comes to temperature in the summer (plus) ...or in the winter (minus).

THANK YOU

Thank you to all who helped with the electrical fire that started above my garage recently. Because of the quick action of the emergency services, what could have been a major disaster was kept under control and ended up being "only" a messy inconvenience. The interior of the house was not affected and I was able to move back in within a few days once everything had been checked and the power was turned back on in the house.

Thank you also to friends, neighbours and anyone else who came to support me, especially Michael and Patricia.

REMEMBER ...

Small businesses are suffering big time in the wake of COVID 19.

Now is the time to support your local businesses. Take out/eat at your local restaurant. Get your hair done at your local beauty shop. Buy your groceries from your local food stores. Choose a small business as often as you can. Walmart and Costco will survive. Take your money to people who truly need it to survive.

Shop small, shop independent and keep the local economy going.

FARMING

It is a job, full of long hours, in all temperatures, and lots of hard work.
But it is so much more than that.
It is scars, callouses, broken bones, stitches, and bruises.
It is sunshine and storms, dirt under your nails, and straw in your boots.
It is early mornings, late nights, and long days.
It is the joy of a good harvest, the beauty of a sunset, the peace in the barns.
It is a calf in your kitchen, a dog in your truck, and freedom in your soul.
It is faith, determination, and accomplishment.
It is fears, tears, laughter, and love.
It is a way of life, a sense of pride, a family affair.
It is home.
